This year our NC IAAI Chapter wants to give back to our communities by helping burn victims and our state hospitals that take such amazing care of them. We are partnering with the Firefighters' Burned Children Fund to host our first charity drive. This collection will benefit the North Carolina Jaycee Burn Center at UNC Hospitals. They have a pressing need for two items: cash for gift cards and shoes. Medical staff utilize the gifts cards to purchase items like a birthday gift. This simple act reminds the victim and their families of a life beyond hospital walls. Also needed are shoes, especially larger sizes. Properly fitted shoes help when victims start moving about to promote healing. Those of us involved in fire investigations are far too familiar with the challenges faced by burn victims. This is our chance to help burn victims beyond the fire scene. During our free training, please consider donating either of these items which will be collected and forwarded to the Jaycee Burn Center!

### **NCIAAI OFFICERS AND BOARD MEMBERS**

**PRESIDENT**  
Darren Solomon

**1<sup>ST</sup> VICE PRESIDENT**  
Adam Stanley

**INSURANCE DIRECTOR**  
John Bull

**2<sup>ND</sup> VICE PRESIDENT**
